June 2019

Dear Parents/Carers

Outdoor learning

On Wednesday 12th June, Year 6 pupils will take part in an outdoor learning morning. We request that your child is sent into school with suitable outdoor clothing depending on the weather on this day (wellies or footwear that can get muddy in a plastic bag, and a warm coat to wear if it is raining or cold). Your child does not have to wear school uniform on this day. The activities planned do not involve children getting muddy, however if it is cold or lightly raining on the day then the morning will still be going ahead. If it is raining heavily on Wednesday, the morning will have to be cancelled for safety reasons. The cost of the outdoor learning morning and permission to take part has already been included within a previous letter sent out this term.

The activities will be led and delivered by staff members at the school and are timed to finish before lunchtime. Children can remain in their outdoor clothing all day however please provide a change of clothing and footwear if the conditions are wet and muddy. Please ensure that your child has a full water bottle with them in school on this day. Lunchtime arrangements will remain as normal and drop off and collection from school will remain as normal.

Yours faithfully,

The Year 6 team
