Dear Children,
Good Morning – another lovely window pictures to share this morning:

Remember that we are going to put a sun in our window this week. Can you make your sun really artistic? Here are some ideas from other artists:

French for Early Years to Year 2/3

One of our lovely mums – Aurelie teaches French and she has started to upload some free videos on Youtube. They are lovely if you would like to do a little bit of French at home.

Spaghetti Tree news

We have a winner from Year 4. She will be headteacher for the day in September – I wonder what she'll do?

Our value at the moment is KINDNESS I wonder what kind things you have done to help at home? Try to think of some kind things you have done and write down three kind things you are going to do today. Try and stick to what you have decided.

These three poems might help you to think about what you can do a little bit more:

The Little Things
By Margaret Lindsey

The little things are most worthwhile
A quiet word, a look, a smile,
A listening ear that's quick to share
Another's thoughts, another's care...
Though sometimes they may seem quite small,
These little things mean most of all.

Kindness
By Beverly F. Walker

Every drop of kindness
That you give away,
Returns to you to bless your life one day!

SMILING

Smiling is infectious; you catch it like the flu.
When someone smiled at me today, I started smiling too.
I passed around a corner and someone saw my grin.
When he smiled, I realized I had passed it on to him.
I thought about that smile and then I realized its worth.
A single smile, just like mine, could travel around the earth.
So if you feel a smile begin, don't leave it undetected.
Let's start an epidemic quick and get the world infected.

Have a lovely weekend all of you – I miss you and can't wait to see you when we all get back to school.

Lots of love
