

## Year 4 Homework

### Autumn Term

Homework in Year 4 is set fortnightly. The English and maths homework must always be completed and handed to class teachers by the due date. Homework for science and foundation subjects is optional. Please remember to complete other homework that has been set (please see other homework sheet): MyMaths, Spelling Shed, reading, weekly spelling and times tables practice.

<b>Wks beginning:</b> <b>7<sup>th</sup> and 14<sup>th</sup> September</b>	<b>Wks beginning:</b> <b>21<sup>st</sup> and 28<sup>th</sup> September</b>	<b>Wks beginning:</b> <b>5<sup>th</sup> and 12<sup>th</sup> October</b>
<p><b>English:</b></p> <p>Write 5 sentences and underline and label the subject and verb within each sentence.            For example: <u>Kelly</u> <u>cycled</u> to school.            Kelly is the subject and cycled is the verb.</p>	<p><b>English:</b></p> <p>Write 5 sentences with an expanded noun phrase in. (DANP- determiner, adjective, noun, preposition). Remember, a sentence must always have a subject and a verb.</p>	<p><b>English:</b></p> <p>Using FANBOYS (for, and, nor, but, or, yet, so) write 5 sentences containing coordinating conjunctions.</p>
<p><b>Maths:</b></p> <p>Using a 6-sided dice, roll the dice 4 times to create a 4-digit number. Record the value of each digit, for example: 6423 = 6000 + 400 + 20 + 3            Repeat the process 5 times.</p>	<p><b>Maths:</b></p> <p>Using a 6-sided dice, roll the dice 4 times to create a 4-digit number. Record the value of each digit.            Repeat the process 5 times and compare these numbers using &lt; &gt; and =.</p>	<p><b>Maths:</b></p> <p>Using a 6-sided dice, create 2 4-digit numbers.            Use the compact column method to add these numbers together.            Repeat the process to create 5 calculations.</p>
<p><b>Science:</b></p> <p>Research the process of digestion. Draw a diagram to label all the parts of the body involved in the digestive process.</p>	<p><b>Science:</b></p> <p>Using a mirror, have a look at your teeth. Why do you think we have different shapes of teeth? Research what their function is and create a poster to promote good dental hygiene.</p>	<p><b>Science:</b></p> <p>Research the diets of a range of different animals. What do they eat? Are they herbivores, carnivores or omnivores? Where do they fall in the food chain?</p>
<p><b>Art:</b></p> <p>Create a sketch of the view from your window using different sketching techniques.</p>	<p><b>History:</b></p> <p>Write a letter from King Vortigern persuading Hengest and Horsa to come and fight for him and keep the Picts and Scots out.</p>	<p><b>PSHE:</b></p> <p>Draw and label a kitchen. What risks and hazards might there be? How can these be avoided?</p>
<p><b>Due: 18<sup>th</sup> September</b></p>	<p><b>Due: 2<sup>nd</sup> October</b></p>	<p><b>Due: 16<sup>th</sup> October</b></p>

## Year 4 Homework

### Autumn Term

Homework in Year 4 is set fortnightly. The English and maths homework must always be completed and handed to class teachers by the due date. Homework for science and foundation subjects is optional. Please remember to complete other homework that has been set: MyMaths, Spelling Shed, reading, weekly spelling and times tables practice.

<b>Wks beginning: 2<sup>nd</sup> and 9<sup>th</sup> November</b>	<b>Wks beginning: 16<sup>th</sup> and 23<sup>rd</sup> November</b>	<b>Wks beginning: 30<sup>th</sup> November and 7<sup>th</sup> December</b>
<p><b>English:</b></p> <p>Write 5 sentences using direct speech. Make sure you use the correct punctuation and a range of verbs for said. Remember to include a new line for a new speaker.</p>	<p><b>English:</b></p> <p>Write 5 sentences using apostrophes for <u>plural</u> possession. For example: the dogs' basket was messy.</p>	<p><b>English:</b></p> <p>Write 5 sentences using a fronted adverbial to show time. For example: <u>In the morning</u>, he went to school.</p>
<p><b>Maths:</b></p> <p>Using a 6-sided dice, create 2 4-digit numbers. Use the compact column method to subtract the smaller numbers away from the bigger number. Repeat the process to create 5 calculations.</p>	<p><b>Maths:</b></p> <p>Using your times tables knowledge, investigate what number under 50 has the most factor pairs. For example, the number 12 has 3 factor pairs: 1 and 12, 2 and 6 and 3 and 4.</p>	<p><b>Maths:</b></p> <p>Write and solve 5 word problems using multiplication of 3 digits by 1 digit. For example: Penelope buys 5 packs of pencils. There are 247 in each pack. How many does she have?</p>
