

The Woman who Fooled the Fairies

Rose Impey
Nick Schon

Soon she felt too tired to take another step.
She just had to lie down and close her eyes.

What is going to happen next?

What are the fairies going to do to capture the woman?

I predict that

I think this because

Dear children,

We need your help! We have realised that we are missing a diagram of the human body in our non-fiction book. We have heard that you have been learning all about non-fiction books, is that right? Well if it is, we need you! Please will you make a diagram of the human body for our book? Your teachers told me you are very helpful!

Good luck, we can't wait to see them!
