

Where do you find me?

How many syllables?

s

m

k

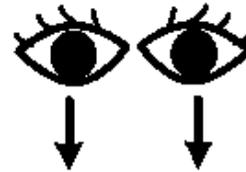

g

What sound do I start with?

What do you do with me?

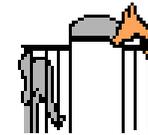

What do I do?

What do I look like?

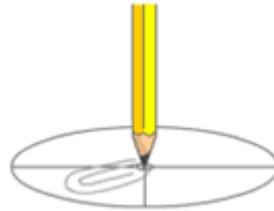

What group am I in?

Spinner Game

You will need: Spinner game, paper clip, pencil and everyday object cards

Place the paperclip in the centre of the spinner with the pencil holding it in place, then flick the paper clip (see picture).

Choose a picture card and answer the question where the paperclip has landed on – if you get it right you can keep the card

Alternatively you can keep the card hidden from the other players and you can give them a clue from each section of the spinner for them to guess from.
