Headteacher: Mrs Moya Whitehead

Dear Parents/Carers

On Thursday 10th October pupils in Year 2 will be taking part in an outdoor learning morning in the school grounds. During this morning children will enjoy a variety of activities including Maths, PHSE, Literacy and art. The focus of each 20 minute session has been taken from the Year 2 curriculum for each subject. The aim is to incorporate the environment into the children's learning.

Please ensure that your child wears appropriate clothing and footwear (put wellies or footwear that can get muddy in a plastic bag, and a warm coat to wear). They will also need school shoes to change back into once we have finished. The activities planned do not involve children getting muddy, however **if it is cold or lightly raining on the day then the morning will still be going ahead.** Please dress your child appropriately according to the weather forecast on the morning. If it is raining heavily then the morning will have to be cancelled for safety reasons

The activities will be led by members of staff however **we welcome parent/carer helpers to support and supervise children during the morning.** If you would like to volunteer to support and supervise during the morning then please email school or speak to your child's class teacher. Please be aware that if more parent/carer helpers wish to support with the running of the morning than spaces allow, places will be allocated on a first come first served basis.

Yours faithfully

Mrs Benson and Miss Dowsett
