Dear Parent/Carers

## Into the Woods – Stunning Start!

To celebrate the start of our 'Into the Woods' topic, the children are going to have a visit from the Birds of Prey Centre, which is committed to the conservation of the birds and their habitats. The visit will take place on **Monday 14<sup>th</sup> January 2020**.

Each class will enjoy a 45 minute session and will be able to observe at close-hand owls, kestrels and hawks. We believe this visit will enhance the children's knowledge of woodland animals and will help them to develop a passion for their natural environment – it will also be a brilliant precursor to our first outdoor discovery week!

Families in receipt of Income Support are not expected to contribute the full amount, but a donation will be gratefully received. It is necessary to have substantial voluntary contributions in order that the activity can take place. This is in line with the Governors' policy of charging. The School has travel and personal accident insurance to cover all school trips or visits, a copy of this policy is kept in the school office. To enable the visit to go ahead, we are asking parents/carers to contribute on Parentpay **£3.00** per child.

Yours faithfully
